

Operation Santa Claus, a registered 501(c)3, all volunteer organization, is a cooperative effort between Trib Total Media, Charley Family Shop 'n Save/ SuperValu and the Salvation Army.

Last year the Operation Santa Claus campaign provided a complete holiday dinner to 7,090 less fortunate families across Southwestern Pennsylvania. Children in those families also received new or gently used books.

Many families in our neighborhoods are struggling financially, so we are truly grateful for your support. It is only through the generosity of individuals, corporations and foundations that we are able to deliver a yearly dose of holiday cheer to local families in need.

Your participation in the inaugural Operation Santa Claus Golf Outing will help us make this holiday season a little brighter for your neighbors!

December 2015 - Students from a local high school pack bags of groceries for Operation Santa Claus.
